

Photo Release/Permission Form:

Lil Bears Preschool has a simple website, blog, and Facebook page for potential new families to learn about us. I would like to include some pictures that show children playing, baking, eating, etc., rather than just have pictures of an empty backyard and playroom. I would appreciate it if you will allow your child's photo to be included in the ones selected to be online. NO LAST NAMES or personal information will be included!! Just some photos that show how much fun it is here!

In addition, the Contra Costa Childcare Links site has the ability to include several photos on the section that gives Lil Bears Preschool information. I would also like to post similar photos on their site.

If you will give me permission, below, I thank you!!

I, _____ give permission for my child's picture to be included in the manner discussed above, for Lil Bears Preschool only. No last names or personal information will be included with any use of a photo of my child/children.

Child's name: _____

Parent's Signature: _____ Date: _____
