

## Important Parking Information

In the spirit of being good samaritan and in order to maintain peace and quiet in the neighborhood all clients of Lil Bears are required to adhere to State Vehicle Code and follow these driving and parking guidelines as defined by City of San Ramon for a Large Family Day Care.

- 1) Please **use** the available **parking on the driveway of the facility** to park for quick pick up and drop offs. ***This parking on driveway needs to be cleared fast*** to make room for other parents to use driveway for pick up and drop off.

There are three parking spots available on the driveway for cars. All clients of Lil Bears are requested to park in a way that leaves room for more cars to get parked at the same time.

- 2) There is **off street parking available in front of the house** for pick up and drop offs.  
Three cars can be easily parked on the off street parking in front of the house. All clients are required to use this parking in case drive way parking is being used.
- 3) There is lot of **OFF STREET PARKING available on Ashby Way**. Clients of Lil Bears are required to use this parking if available parking on drive way and off street parking in front of Lil Bears is full/ being used. Please refer to the attached picture.

- 4) All clients of Lil Bears are required to **follow mindfulness and drive carefully at all times at no more than 25 miles an hour speed.**
- 5) If, and when using the cul-de-sac for making U turn, all are required to drive at no more than 20 miles an hour speed to ensure safety and peace in the neighborhood.

Thanks for your cooperation and hope you will all help me in my endeavor.
